## Thoughts from Your Prez

Lynne von Trapp

The last half of August was a busy time for NOMADers, and as always you rose to the occasion and shared in hosting a fun, well-run NADAC trial, as well as our second annual Camp NOMAD. Both were labor-intensive events and could not be held without the helping hands of our members. Then the fun continued with Kim Ingraham's trial.

It is such a pleasure working with proactive members who notice what needs to be done and then do it without being asked. That combined with positive, supportive attitudes towards our dogs and each other are the defining characteristics of our club, the reasons judges like to judge at our trials, and instructors like to come for camp and seminars. Not coincidentally, it's why we have a good time together and why so many close

friendships have formed within NOMAD.

There were many amazing moments of learning during camp, but the picture that stays with me and always puts a smile on my face is of our wonderful members still cheerful at the end of the last day of camp, cheering and congratulating ourselves for loading all the equipment within about an hour after camp ended. I happened to be standing in the bed of the pickup truck so I could see all your faces in the late afternoon sunshine -- a happy bunch of satisfied, hard workers.

Thanks to all of you who have made being president a pretty darn smooth trip for me.

**NADAC Trial:** Plans the NADAC trial. Create the format for the trial and plan/coordinate all logistics and aspects of the trial (eg. premium creation, registration, site preparation, equipment, judges, volunteer workers, hospitality and more!). There are many big and small jobs to be done. Experience is not necessary!

**USDAA Trial:** Plans the USDAA trial. Create the format for the trial and plan/coordinate all logistics and aspects of the trial (eg. premium creation, registration, site preparation, equipment, judges, volunteer workers, hospitality and more!). There are many big and small jobs to be done. Experience is not necessary!

**Practice/Lessons:** Organizes summer and winter practices, arranges for sites, schedules facilitators.

**Membership:** Welcomes new members to the club by handling applications, plans orientations, assigns mentors and coordinates the Buddy program. Develops initiatives to keep the membership application and renewal process streamlined. We will have 1 or 2 meetings a year. Most issues and discussions are handled through email.

**Equipment:** Keeps track of the location of the equipment and maintains the equipment. Suggests and makes recommendations for the purchase of new equipment. Responsible for assuring equipment is trial-ready and delivered to trial site.

**Demo:** Find places and organize the events for demonstration of agility for the public. They are now a regular feature at the Champlain Valley Fair. There are many jobs to do both before and the day of a demo.

**Outreach/Jr. Handler:** This is directed toward humans under 17 who want to participate in the sport. Develops programs to go into the schools to educate students and the public about positive training and agility. They have held a Jr. handler class and hope to develop seminars or other training events for members under 17.

**Seminar:** The seminar committee each year plans seminars, workshops, and possibly camps. This is an exciting committee to be on. We invite top competitors/instructors to present the seminars. These seminars are for all members of the club. The committee has one or two meetings a year and does some of the planning via e-mail. There are many jobs to be done at the seminars (refreshments, setting courses, instructor hospitality, etc.). To be able to run the seminars, we ask committee members to put some time in working at the seminars.

# Fall Membership Meeting: November 8, 2009

Tenatively scheduled for 2:00 P.M.,  
location to be determined.

Please take a moment to send your bylaw proxy form in to Kim Rubin! We need EVERYONE to respond - and so far we only have 3 responses! The proxy form can be found in last month's newsletter (which can also be found on our website nomadagility.com) We are asking everyone to fill out a form even if you plan on attending the fall meeting. If you come to the meeting, we will simply discard your proxy and you may vote at the meeting. In October, the Steering Committee will be contacting members who have not sent in their proxy form to remind them to do so. It would save us some time, if we could get as many people as possible to send in their proxies this month. Thanks in advance for your help!
