Frequently asked questions

How do I register my dog for NADAC?

All dogs must be registered to compete in NADAC sanctioned events. This is a one-time process and the number assigned is permanent. To register your dog to compete in NADAC events,

use the online Dog Registration Form on the NADAC website. Fill out the form and submit it on-line. Your dog's permanent NADAC registration number will be displayed on the screen for you to print for your records. You then have 30 days to send in the registration fee to the address at the bottom of the registration form. Dogs must be registered with NADAC prior to competing in a NADAC sanctioned trial.

What is the difference between the Proficient and Skilled Categories?

Every class in a NADAC trial is split into two categories: Proficient and Skilled. Courses and SCTs are the same for both categories. Dogs may only be entered in one Category for the weekend.

In the Proficient Category, dogs must jump their measured jump height per the jump height table. Runs must be clean, with no course faults or time faults, in order to qualify.

In the Skilled Category, all runs must be clean to qualify except in Regular, where dogs may earn 5-point qualifiers for any run with five (5) or fewer course or time faults. Exhibitors must enter their dog one jump height lower than they are required to jump in the Proficient Category. For example, a dog who measures to jump 20" in the Standard division, Proficient category, must enter a trial at 16" in the Standard division, Skilled category, and will receive the benefit of the additional time allotted to the 16" dogs.

If this same dog is also a Veteran, or is handled by a Veteran/Disabled Handler or Junior Handler, he may enter the Veteran or JH Division and jump another 4" lower. This dog would receive the time allotted to the 16" Vets jumping 12".

Skilled and Proficient points are combined for titles and Special Awards at the Novice and Open levels. At the Elite level, points no longer combine. Proficient points go toward the NATCH and Skilled points go to the MEDAL.

Dogs may only be entered in ONE category per weekend.

Please feel free to contact Cynthia at vermont05088@yahoo.com if you have any questions about how to fill out your entry. On the day of the trial, ask any of your fellow NOMADers and we will be happy to help you!

Can't remember what level you are in? Go to www.nadac.com, click on the "dog" tab and select Check points for a dog. You can enter your dog's NADAC number and get a list of all the NADAC points you have earned through the end of 2009.
