### NAP TITLE

## NOMAD LICENCE SURROUNDS ARE AGAIN AVAILABLE

They are \$12.99 plus a small shipping charge (<.50) each, depending on the final number ordered. E-mail john.marcus@uvm.edu and tell me how many you would like. Order will be placed second week of January, will collect payment at time of delivery.

## WHY DO YOU ASK?

I can't make  
any story  
about my life

tonight. The house  
is like an overturned  
wastebasket;

the radio  
is predicting  
more rain.

I ask my dog  
to tell me  
a story, and she

never hesitates.  
"Once upon  
a time," she says,

"a woman lived  
with a simply  
wonderful dog..." and

she stops talking.  
"Is that all?"  
I ask her.

"Yes," she says.  
"Why do you ask?  
Isn't that enough?"

## THE BLIZZARD

by Patricia Nolin

We are having a blizzard.

Oh no! Oh no!

What will we do with all this snow?

The schools are closed.

The roads are bad.

Even the horses seem to be sad.

But the dogs are as happy as can be.

They get to spend the whole day with me.

They think the snow is a beautiful sight.

They bark at the snowplow with great delight.

Walking is hard with snow to your knees.

I would rather be walking through a pile of leaves.

But I am happy too you see.

Because the dogs get to spend the day with me.

## NEW DOG MEMBER

Erica Ferland's new pup,  
**Kipling**, 8 m.o., male, unneutered,  
golden retriever, home schooled.

## SPRING CLASSES

NOMAD will offer two classes in March. Here is an overview of the classes. More details and registration forms will appear in the February newsletter.

**Everyone’s A Star!**

**March 10 & 17; 9:30-11:30 a.m.**

**Instructor: Kate Carter, assisted by Sara McDonald on video camera**

This class will look at opening sequences from a variety of courses (two per week). Participants will learn the best way for their teams to handle each sequence. Teams do not need to be trialing, but should be confident on all obstacles and be able to sequence at least eight. The classes will be videotaped and available for download via a link sent by email, along with an informal “critique” of each run. Cost is \$42/team.

**Start-line Stays**

**March 24 & 31; 9:30-11:30 a.m.**

**Instructor: Lisa Barrett**

This class will help you make the startline stay fun and predictable. Participants will learn alternatives to the stay, such as boomerang starts, circular starts, and angled starts that allow the handler to get ahead, as well as when to use different kinds of start-line strategies. Cost is \$30/team.
