NOMAD's 15th NADAC trial

Thanks to all that came to set up, work during the trial, and tear down! We couldn't have done it without you. We'd like to particularly thank the trial committee: Caroline, Judy K., Marty, Don, Randi, Val C., & Maxine. We were a small committee which required each member to take on multiple jobs. Lynne, Judy F., Roberta, Jackie, & Linda K. also provided extra assistance with getting our supplies to and from the trial site.

Jen Hammond led the team that laid out the ring and she course built all weekend! We also got a lot of

great help from our honorary NOMADers from Virginia & Maryland who volunteered to be our chief course builders: Tom Moloney-Harmon and Scott Casino.

The weather was perfect and we had many spectators stopping by throughout both days of the trial.

It was really nice to have Kit's expertise at the microphone to help explain what was going on to all the spectators- he does such a good job at that and it makes it more educational and interesting at times when we were building or walking the course.

Our judge Sarah Fix was so nice and pleasant. She set a great tone for the event, which was relaxed and friendly. We had quite a few vendors which added to the festive atmosphere.

Our food vendors commented that everyone was so nice it was like being at a picnic! On Saturday, we celebrated our 15th anniversary with a delicious cake!

Hope you all had as much fun as we did!

"Anger, frustration, complaining, drama – all take precious energy away from you! Being positive, happy, focusing on solutions and being around people who are also happy energizes you! You decide how to live each day by the way you take in the world around you – energized and happy or frustrated and tired."

I copied and saved this from somewhere but can't remember to whom credit belongs. Applies to agility as well as the other stuff. And I think NOMAD trials are where those happy, positive people are. -Caroline
