October 20-21 Seminar with Perry DeWitt @ Cloverfield Farms

“When Perry is handling, she likes to run and be ahead of her dog as much as possible. She enjoys finding the balance between being precise and being aggressive. As a coach, Perry is relatable and down to earth. Perry is sensitive to both the dog's and the human's mental and emotional state. She is encouraging on what went well as well as discussing how to improve. Perry doesn't have a favorite thing to teach; she loves teaching anything to dogs and humans who are eager to learn!”
